

# EANAN Is Ready for Take-off at Dubai Airshow 2025

We are proud to announce that **EANAN** will be exhibiting at **Dubai Airshow 2025**, taking place from **17–21 November** at **Dubai World Central (DWC)** — one of the world's top three aerospace events, attracting over **100,000 industry professionals** and more than **1,400 exhibitors from 95 countries**.

Join us at **Stand #26** in the **Advanced Air Mobility (AAM) Pavilion**, where we will unveil our latest innovations in AAM technologies, including **heavy cargo** and **vertical take-off and landing (VTOL) aircraft**. We are proud to be the **first company to manufacture advanced unmanned aircraft in Dubai**.

With the AAM sector projected to reach **\$45 billion by 2030**, EANAN is positioning the UAE as a regional powerhouse in the development and deployment of next-generation transportation solutions—transforming industries from **logistics** to **agriculture**.

Held under the patronage of **His Highness Sheikh Mohammed bin Rashid Al Maktoum**, Vice President and Prime Minister of the UAE, Ruler of Dubai, and Minister of Defence, the **Dubai Airshow** serves as a global platform for cutting-edge innovation in **aviation, space, and defence**.

Join us on a journey into the future of flight and mobility, and witness firsthand how **EANAN** is driving the UAE's rise as a global leader in smart, next-generation aviation
